TUMKUR DIVISION.

Dated 19th May 1928.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Tumkur Division, up to 15th June 1928, for opening out a new road from Kolala to Yelekyathanahalli in Tumkur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1929.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rs. 350 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for opening out a new road from Kolala to Yelekyathanahalli, Tumkur Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The rate should be noted both in figures and in words in the form without any corrections or additions under items of works.

10. No claim for higher rate on any account will be entertained after the tender is accepted.

11. The contractor will be fixed in terms of his bond for any short progress or delay.

12. In matters of all disputes about rates, measurements, quantity of work and in all disputes of any kind the decision of the Chief Engineer will be final and legaely binding on the contractor.

13. Tenders offering to execute works at percentages above or below the estimate rates or below the lowest tender will not be accepted.
